‘Beluga Whale Dream Tour’

August 14 - 15, 2010

Thousands of beluga whales descend upon Churchill every summer. A Beluga Whale Tour through Lazy Bear Lodge is the perfect way to experience these amazing creatures. You’ll have opportunities to swim and kayak among the beluga whales and an experienced guide to take you to where they congregate. You will rendezvous with the whales on the Churchill River and into the Hudson Bay as they feed on schools of capelin, arctic char, brook trout and cisco white fish. You will also experience other tundra wildlife attractions such as birds, wild flowers, arctic hare, arctic foxes and the northern lights. A Cultural and Heritage Tour takes you to historic Cape Merry, where the Churchill River spills into the bay, and several short hikes along the coastline. Visit the historic stone Prince of Wales Fort, built in the 1700s, and see the polar bear jail where polar bears who wander into town are incarcerated.

Day 1
Depart Calgary International Airport at approximately 6:30 AM.
Arrive at Churchill, MB by mid-morning.
